MARINIS FINANCIAL GROUP

MARINIS
FINANCIAL GROUP

We aspire to a world where everybody receives the best possible advice to reach their financial and lifestyle goals.

Our boutique family business exists solely to help our clients get the most out of their financial lives.

We have a very clear vision of what we want to achieve

Our vision is to be the first choice for those who are serious about reaching their financial goals. To achieve this vision, we seek to communicate honestly and effectively and where possible, to educate our clients, whilst being acutely aware of their goals and the changing world around them.

Near enough is never good enough. At MFG we

- Understand people, their goals and aspirations.
- Provide informed exposure to the market which is appropriate to their tolerance of risk.
- Treat people like our extended family, with unique problems that need solving over the course of a long-term relationship to help them maximise their available cashflows.
- Construct solutions that are cost, tax and where appropriate, Centrelink effective to ensure that everyone makes the most of their entitlements.

By choosing us you can:

- Prosper slowly – and continue to prosper.
- Focus on living life to the full – while we focus on your financial future and achieving the BEST possible outcome in each individual circumstance.
- Be assured that your investments and insurances will be subject to review on a regular basis.

We like to think we are different...

At Marinis Financial Group we harness our integrity, education and creativity to provide our clients with the best possible financial future. Our strategies are designed to be flexible and dynamic, to keep clients on the right path – even if circumstances change over time.

We measure our success by our clients' satisfaction with our outcomes and we instil our passion, ethics, knowledge and respect for the individual into everything that we do. Our aim is to provide our clients with a vivid picture of what a financially stress-free future will mean to them and our role in helping them achieve it.

At MFG We Are Not Remunerated by Commissions
