

Tanya Ryan - Solicitor

I worked in the ATO for 26 years in a variety of areas including assessing and special audit, but principally in the objection, review and appeals jurisdiction.

I was responsible for preparing and presenting matters in the Administrative Appeals Tribunal on behalf of the Commissioner, as well as briefing counsel in the Federal Court in an ATO funded test case dealing with lump sum Worker's Compensation payments.

I applied for and was granted part-time status during my last 10 years in the ATO. During this period, I commenced private practice, which has amazingly entered its 22nd year!

I practise exclusively in wills and probate [including Powers of Attorney and Advanced Care Directives].

Clients are welcome to make an appointment to discuss any concerns they may have with respect to wills, succession, estate planning and/or the administration of deceased estates, with no obligation to proceed.
