Dear Theo,

A quick note to say how impressed I was with the presentation you delivered for the CPA recently on the new superannuation rules and changes. I have seen many presentations and presenters over 15 odd years and this was highly valuable to me.

The key reasons why it was so valuable to me were:

1. You clearly have an expert knowledge of the subject matter.
2. You reduced the complexity of the rules to the core parts creating clarity.
3. Use of practical examples really cemented the rules, issues and opportunities in my mind.

Again, well done and I look forward to attending future presentations you make.

Yours sincerely,
