Dear Theo,

On behalf of myself and Generation Life, I wish to sincerely thank you for presenting to our "Peer to Peer" session held in Adelaide last week.

Your presentation displayed your passion around strategies to meet desired client outcomes and was delivered in a clear and easily understood manner. I know that those in attendance provided great feedback and commented that they got a lot out of attending the presentation.

Once again, many thanks for your fantastic presentation.

Kindest Regards,

A handwritten signature in blue ink that reads "R. Scherini".
